U.S. Short Duration Sustainable High Yield Fund ("The Fund")

A sub-fund of SKY Harbor Global Funds

(Class B - Capitalization: DKK Hedged)

ISIN: LU0765418842

Objectives and Investment Policy

The investment process is rooted in fundamental analysis of issuers and industries and is complemented with the following components of Socially Responsible Investing: 1) ESG Integration using a proprietary ESG ratings score (the "Value Rubric") that includes among other things financially material sustainable criteria derived from the Sustainable Accounting Standards Board ("SASB") but also includes non-financial criteria such as gender diversity Board independence and the quality of sustainability reports/disclosures; 2) negative screening of fossil fuel and other sectors; and 3) Engagement with issuers. The Fund may invest in securities regardless of their rating and in securities which are not rated. The Fund will invest primarily in securities rated below investment grade (that is securities rated below BBB- or Baa3 by S&P and Moody's respectively). To the extent the Fund invests in securities rated below CCC or Caa by S&P and Moody's respectively the Fund shall monitor liquidity in accordance with its risk management process.
