PROXY VOTING – SKY HARBOR GLOBAL FUNDS VOTES SINCE 01/01/2019

As per described in SKY Harbor Global Funds' Sustainability Policies and Procedures (Chapter IV), SKY Harbor is a leveraged credit asset manager and our portfolios are not invested in equity securities to any meaningful extent. We have, nevertheless, a voting policy to govern our actions in the occasional instance we might be in a position to vote on a shareholder proxy proposal. Moreover, as investors of debt securities on behalf of its clients, SKY Harbor may have the right to vote on a corporate restructuring plan. Those requests are generally treated as corporate actions rather than proxy voting, and we respond accordingly.
